MATCH THE PRODUCT TO THE JOB

Choose by the finished effect

Use this guide to narrow the product family before choosing color, size and item number.

What the project needs	Choose this family	What it creates	Standard put-up
Facing turned to the inside	Single fold or wide single fold	A discreet faced edge or flat surface accent	4 yd / 3 yd
Visible edge covered front and back	Double fold or extra-wide double fold	A wrapped border; choose width by desired coverage	4 yd / 3 yd
Quilted perimeter	Quilt binding	A continuous fabric frame around quilted layers	3 yd
Smooth blanket border	Satin blanket binding	A light-catching satin finish	4.75 yd
Fleece project edge	Fleece double-fold binding	A wrapped border for a coordinated fleece project	1/2 in × 3 yd
Raised seam outline	Corded or maxi piping	A visible rounded cord held in the seam	2.5 yd
Decorative surface or seam accent	Rick rack	Full zigzag on the surface or scalloped points in a seam	2.5–4 yd by item
Garment hem or tie	Hem facing, hem tape or twill tape	Choose facing, sew-on, iron-on or woven strip by task	See page 10

Retail pack or bulk spool

Extra-wide double-fold retail packs provide 3 yd. The bulk program supplies 50 yd per spool, with a 1/2 in finished width in a 55% polyester / 45% cotton blend. Choose the put-up for the amount of repeat or continuous work.

Family-level lengths are guides; specialty formats vary. Confirm exact width, material, application and care for the selected item. No scale is implied by photographs.

COORDINATED WRIGHTS PROGRAMS

One color name across four formats

Eight shared color names make it easier to plan bookfold and thread assortments together.

Bookfold: 55% polyester / 45% cotton blend or 100% cotton. Both formats specify 1 1/4 in width.

How to use this guide

These are individual Wrights item numbers, not multipack or mixed-color set codes. Use the full directory for retail UPCs. Shared color names do not guarantee an exact shade or dye-lot match; compare physical samples for coordinated projects.

Expanded programs. The bookfold format, polyester sewing thread and nylon craft thread are distinct products. Final specifications, packaging and availability are confirmed before ordering.

SINGLE FOLD AND WIDE SINGLE FOLD

Single fold bias tape

For a faced edge or a flat decorative accent.

Wrights folded tape photography. Select the exact fold and color by item.

SINGLE FOLD

WIDE SINGLE FOLD

3 yd standard packs

ESTABLISHED RANGE

42 + 14 items

White: single fold 117200030 / wide 117202030 • Directory 17-19

WHERE TO USE IT

Choose single fold for neckline and armhole facings or a flat applied trim.

CHOOSE THE FINISH

Turn it inside for a discreet facing. Choose wide single fold when a broader facing or accent is wanted.

FORMAT CHECK

Pre-folded bias construction. Standard packs: single fold 4 yd; wide single fold 3 yd. Select the fold first, then the exact item and color.

DOUBLE FOLD AND EXTRA WIDE DOUBLE FOLD

Double fold bias tape

A visible border that encloses the raw fabric edge.

Bound apron edges from the supplied Wrights application photography.

WHERE TO USE IT

For apron, placemat and bag edges that remain visible on the finished project.

CHOOSE THE FINISH

Double fold covers both faces of the cut edge. Choose extra-wide double fold when more border coverage is wanted.

FORMAT CHECK

Standard double-fold packs contain 4 yd; extra-wide packs contain 3 yd. Solids, selected patterns and specialty finishes vary by item.

SELECTING A BINDING FINISH

Quilt blanket and fleece binding

Choose the border that complements the fabric and project.

Satin binding application and quilt-binding retail packs. Select the exact format.

QUILT BINDING

Use around quilts, quilted runners and wall hangings. Prepared binding creates a continuous fabric frame; standard packs contain 3 yd.

SATIN BLANKET BINDING

Use on throws and blankets. The satin face gives a smooth border with a light-catching sheen. Standard packs contain 4.75 yd.

FLEECE DOUBLE FOLD

Wrap fleece project edges for a coordinated border. White, Black and Heather Gray are listed in a 1/2 in × 3 yd format.

MAXI PIPING AND GINGHAM PROGRAMS

Corded piping

Outline a seam with a raised corded edge.

Piping application from the supplied Wrights material; representative pack.

WHERE TO USE IT

Use on cushion, bag and garment seams where a raised outline is part of the design.

CHOOSE THE FINISH

The rounded cord remains visible; the flat sewing allowance is held between the fabric layers. Compare the profile on the intended fabric.

FORMAT CHECK

Established solid packs: 2.5 yd.

DECORATIVE COLOR AND TEXTURE

Rick rack and specialty trims

A zigzag on the surface or scallops along a seam.

WHERE TO USE IT

Choose a trim scale that fits the detail: smaller profiles for fine accents, larger profiles for a more visible line.

CHOOSE THE FINISH

Sew the full wave onto the surface for a zigzag. Partly enclose it in a seam to show scalloped points.

FORMAT CHECK

Baby, medium and jumbo formats. Metallic, iridescent and rainbow options add different effects. Width, fiber and put-up vary by item.
